

Unit Dose MarketWatch

As the need for unit dose products grows, many pharmacists report that these products have become harder to find. Furthermore, product availability often changes monthly and with little notice. In an effort to simplify your unit dose-purchasing process, PP&P brings you this timely resource for searching out products that have recently been made available in unit dose.

New Unit Dose Product	Company	Dosage Strengths Available	Unit of Use*	NDC#	Barcoded (including NDC, name, lot and exp date)	Website and Reader Service Number
