

# Unit Dose Market Watch

- Do you want to purchase more bar coded, unit dose products?
- Is it becoming harder to find the unit dose products you need?
- Have you experienced product-availability changes with little or no notice?

To simplify your unit dose purchasing process, *PP&P* brings you this timely resource, identifying some of the newest products available in unit dose.

To request more information on any of the products listed in the chart below, simply circle their corresponding numbers on the reader service card bound in this issue on page 1.
